

PARTY PIZZAS!

The Election Selection...

THE BERTIE DOUBLE DOUGH PIZZA

Greasy, cheesy and full of hot air. Choose from the following toppings: Corruption, hospital queues, housing shortage, stealth taxes.

THE FINE GAEL FOUR SEASONS

Bland, tasteless and limp. Made by chef Enda 'The Suit' Kenny. Identical toppings to Bertie's pizza.

THE LABOUR HALF BAKED PIZZA

Used to be the worker's favourite but not any more. Red on the outside but riddled with blue mould. Comes as free side order with a Fine Gael Pizza.

THE PD STUFFED CRUST PIZZA

Past it's sell-by-date. Not many left – buy now while stocks last. Special discounts for big business.

THE SINN FÉIN PEPPERONI

Promises to liven things up but fails to deliver. Just more of the same. Might come with Bertie's Pizza as surprise extra.

THE GREENS VEGETARIAN SPECIAL

Looks environmentally friendly and healthy but watch out for hidden ingredients: coalition, sell out, ministerial cars etc.

THE SOCIALIST SUPREME PIZZA

Something different! A hot tasty recipe that will bring tears to the eyes of big business fat cats but a warm glow to workers, pensioners, unemployed and their families. Delivered to your door by JOHN O'NEILL.
